DETAILED ACTION

Allowable Subject Matter

- 1. Claims 1-24 are allowed.
- 2. The following is an examiner's statement of reasons for allowance:
- Re Claim 1: the prior art does not disclose three antennas located on either vehicle, three RF transmitters contained on the second vehicle.
- Re Claim 20: the prior art does not disclose three antennas located on the target vehicle and the chase vehicle, and three RF transmitters on the first and second vehicles.
- Re Claim 21: the prior art does not disclose four antennas located on the target vehicle and the chase vehicle, and four RF transmitters on the first and second vehicles.
- Re claim 22: the prior art does not disclose three antennas located at spaced apart position on a vehicle, an RF transmitter located on the second one, three RF receivers located on the first one.
- Re Claim 23: the prior art does not disclose software-defined radios on the target and chase vehicles, a plurality of antennas on both the target vehicle and the chase vehicle.
- Re claim 24: the prior art does not disclose one or more antennas located on a first vehicle, an antenna located on a second vehicle, and RF transmitted within the second vehicle, and a RF receiver in the first vehicle with a processor for processing the signals.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
